

## Do you really know your potential hires?

*Huffmaster's Credential Check performs the background search you need!*

**A prospective candidate means a new resource to your organization. But what do you know about him or her other than an application and a few references? Eliminate the questionable candidates from your corporation's hiring process. Use Huffmaster's Credential Check.**

No one can guarantee an applicant's future performance, but comprehensive credential checks can verify the applicant's integrity and determine if the applicant fits your organization.

Huffmaster's comprehensive screening services ensure that you quickly receive the most accurate and current information so you can make a decision based on facts – not on speculation.

The best part of our Credential Check program involves the cost! We will design a thorough screening process based on your budget without sacrificing the high quality resources you need!

**That's Business Secured at a Higher Level. That's Huffmaster.**

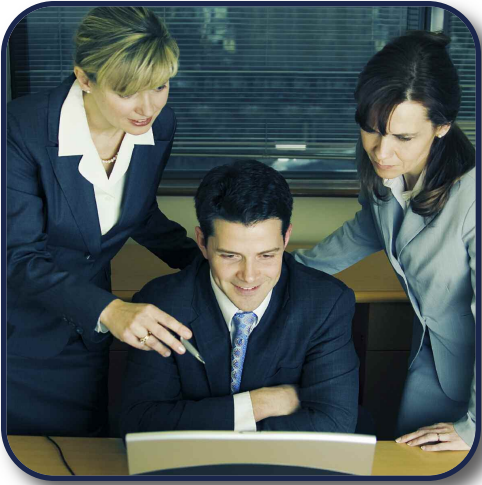

### Credential Check

- Pre-Employment Screening
- Drug Screening
- Tenant Screening
- Integrity Testing

## Pre-Employment Screening

Utilizing the latest technology, Huffmaster can generate the latest candidate background information at an affordable price to help you make the hiring process considerably more cost-effective.

- **Criminal background checks**
- **Previous employment verification**
- **Education and degree verification**
- **Reference checks**
- **Motor Vehicle reports**
- **Social Security Number trace**

## Drug Screening

In today's litigious environment, every company must protect their interests through creating and maintaining a drug-free workplace. We can establish a drug screening process to fit your needs and your budget.

A comprehensive program should include regular employee testing and ongoing support initiatives for your employees.

- **Testing**
- **Training**
- **Consulting**
- **Counseling**

## Tenant Screening

Rental properties represent a serious investment. It only takes one irresponsible or destructive tenant to cause thousands of dollars in damage – and even threaten the safety of your upstanding neighbors.

Our tenant screening services give landlords and property managers the ability to identify and avoid potential problems before they become trouble.

- **Tenant credit report**
- **Reference checks**
- **Social Security Number trace**
- **Criminal background checks**
- **Statewide sexual offender search**
- **Eviction Database**

## Integrity Screening

Going a step beyond background checks, our online integrity tests measure key personality characteristics which contribute to high turnover, absenteeism and unproductive behavior. Employers across the nation have found these tools valuable to serve as a quick yet cost-effective screening tool for potential employees.
